Saunders' Safety Training Schedule

Saunders Construction, Inc. works diligently to stay up-to-date on all safety standards required by the state/OSHA and the federal government, as well as our own safety procedures based on our experience. Following is a brief list of safety training provided to all Saunders Employees including, General Laborers, Foreman, Supervisors, and Project Managers:

- Background checks for all new applicants
- No Tolerance Drug Policy
- New Employee Safety Orientation and follow-up
- Weekly Tailgate Meetings
- Daily & Weekly Job-Site Safety Checklists
- Weekly Review of Injury Illness & Prevention Program
- Safety Equipment Assigned to Each Employee
- Fall Protection Training – 2x annually
- Scissor/Boom Lift Training – 2x annually
- Forklift Training – 1x annually
- CPR/First Aid Training – 1x annually (for foreman, supervisors & PM's)
- Respiratory Protection Program Training
 - Exposure Monitoring
 - Medical Evaluations upon employment, and as needed
 - Fit Testing 1x annually, and as needed
 - Disbursement of proper filters and cartridges, plus log for monitoring hours

Following is a list of safety incentives/rewards and discipline policies:

- Monetary Safety Incentives established per job for all employees
- Disciplinary Action for not following safety policies, including termination

Note: All trainings above are minimum requirements. Saunders conducts additional trainings when working conditions change, regulations change, or reinforcement of policies is needed.
